NCPC File No. 6179

**AMERICAN VETERANS DISABLED FOR LIFE MEMORIAL
WASHINGTON AVENUE (CANAL STREET) AND SECOND STREET, SW
WASHINGTON, DC**

Submitted by the National Park Service

April 1, 2004

Commission Action Requested by Applicant

Approval of design concept pursuant to the Commemorative Works Act (40 U.S.C. 8905).

Commission Action

The Commission:

Approves the design concept for the American Veterans' Disabled for Life Memorial, Washington Avenue and Second Street, SW, as shown on NCPC Map File No. 22.00(73.10)-41337.

Recommends that in the further development of the design, the applicant:

- Continue to study existing and anticipated transportation and vehicular movement around and through the memorial, and refine circulation patterns accordingly,
- Refine the design of the openings in the stone walls.
- Study the height of the stone and glass walls.
