Commission Action

The Commission:

Comments favorably on the concept design plans for the Watha T. Daniel (Shaw) Neighborhood Library, Washington, DC, as shown on NCPC Map File No. 33.10(38.00)42321.

Recommends that the applicant revise the designs for the entryway and streetscape at the corner of 7th and R Streets, NW, to make the library entrance more prominent; and develop the landscape plan to create usable green space for library patrons.
