

COMMISSION ACTION

NCPC File No. 7110

THE NATIONAL MALL TURF RECONSTRUCTION ON THREE EASTERMOST CENTER PANELS

The National Mall
Washington, DC

Submitted by the National Park Service

June 3, 2010

Commission Action Requested

Approval of comments on the concept design, pursuant to 40 U.S.C. § 8722(b)(1) and (d).

Commission Action

The Commission:

Comments favorably on the concept design for the reconstruction of the turf and soil and the construction of a curb and gutter around the three easternmost center lawn panels of the National Mall, as shown on NCPC Map File No. 1.41(70.00)43062.

Recommends that the curb be constructed of granite and **notes** that NPS will continue consultation on the dimension of the curb radius as the design is developed further.
