

COMMISSION ACTION

NCPC File No. 6426

**WALTER REED ARMY MEDICAL CENTER, MAIN SECTION
AMPUTEE ADVANCE TRAINING CENTER AND INTERIM BUILDING
PRELIMINARY AND FINAL SITE AND BUILDING PLANS
14th and Fern Streets, NW, Washington, DC**

Submission by the Department of the Army

February 5, 2004

Commission Action Requested

Approval of preliminary and final site and building plans pursuant to 40 U.S.C. § 8722(d) and Section 5 of the National Capital Planning Act (40 U.S.C. § 8722(b)(1)).

Commission Action

The Commission:

Commends the Department of the Army for designing a unique yet compatible new building within the Walter Reed Army Medical Center campus exhibiting a sustainable greenscape roof design which assists in harmonizing the structure in close proximity to the main hospital building.

Approves the preliminary and final site and building plans for the interim Amputee Advance Training Center modular building, as shown on NCPC Map File No. 71.20(38.00)-41293, with the condition that the structure is to be removed upon the completion and opening of the permanent Amputee Advanced Training Center, and

Approves the preliminary site and building plans for the permanent Amputee Advance Training Center and request that the Walter Reed Army Medical Center design team apply the U.S. Army SPiRiT building certification program to the building design effort if possible.

Deborah B. Young
Secretary to the National Capital Planning Commission
