NCPC File No. MP108

FORT LESLEY J. McNAIR
REVISED TRANSPORTATION MANAGEMENT PLAN
4th and P Streets, SW
Washington, D.C.

Submitted by the Department of the Army

October 6, 2005

Commission Action Requested by Applicant

Approval of the revised Transportation Management Plan pursuant to 40 U.S.C. § 8722(d) and Section 5 of the National Capital Planning Act of (40 U.S.C. § 8722(b)(1)).

Commission Action

Approves the submitted Fort McNair Transportation Management Plan, dated August 2005, and requests that the Fort Myer Military Community utilize the provision of Section 3049(b) of The Highway Authorization Bill (SAFETEA), signed by the President in August 2005, to improve transit usage at Fort McNair by providing shuttle services between Metrorail transit stations and Fort McNair. Demonstration of compliance shall be provided by the Fort Myer Military Community in an annual report to the Commission on implementation of a shuttle program, beginning on September 1, 2006, and maintained to inform the Commission until the next full TMP update.
