Applicant request: Preliminary and final approval of site plans

Delegated / consent / open / executive session: consent

NCPC Review Officer: C. Kelly

NCPC File number: 7475

Project summary:

The United States Department of the Army has submitted an access control point (ACP) for the North Post of Fort Belvoir. An entrance from Route 1 onto Fort Belvoir was closed in this location after September 11, 2001. The proposed project will create a new ACP that meets current security standards.
