TITLE VIII—PRISON LITIGATION REFORM

SEC. 801. SHORT TITLE.

This title may be cited as the “Prison Litigation Reform Act of 1995”.

SEC. 802. APPROPRIATE REMEDIES FOR PRISON CONDITIONS.

(a) IN GENERAL.—Section 3626 of title 18, United States Code, is amended to read as follows:

“§ 3626. Appropriate remedies with respect to prison conditions

“(a) REQUIREMENTS FOR RELIEF.—

“(1) PROSPECTIVE RELIEF.—(A) Prospective relief in any civil action with respect to prison conditions shall extend no further than necessary to correct the violation of the Federal right of a particular plaintiff or plaintiffs. The court shall not grant or approve any prospective relief unless the court finds that such relief is narrowly drawn, extends no further than necessary to correct the violation of the Federal right, and is the least intrusive means necessary to correct the violation of the Federal right. The court shall give substantial weight to any adverse impact on public safety or the operation of a criminal justice system caused by the relief.

“(B) The court shall not order any prospective relief that requires or permits a government official to exceed his or her authority under State or local law or otherwise violates State or local law, unless—

“(i) Federal law permits such relief to be ordered in violation of State or local law;

“(ii) the relief is necessary to correct the violation of a Federal right; and

“(iii) no other relief will correct the violation of the Federal right.

“(C) Nothing in this section shall be construed to authorize the courts, in exercising their remedial powers, to order the construction of prisons or the raising of taxes, or to repeal or detract from otherwise applicable limitations on the remedial powers of the courts.

“(2) PRELIMINARY INJUNCTIVE RELIEF.—In any civil action with respect to prison conditions, to the extent otherwise authorized by law, the court may enter a temporary restraining order or an order for preliminary injunctive relief. Preliminary injunctive relief must be narrowly drawn, extend no further than necessary to correct the harm the court finds requires preliminary relief, and be the least intrusive means necessary to correct that harm. The court shall give substantial weight

Prison Litigation
Reform Act of
1995.
18 USC 3601
note.

to any adverse impact on public safety or the operation of a criminal justice system caused by the preliminary relief and shall respect the principles of comity set out in paragraph (1)(B) in tailoring any preliminary relief. Preliminary injunctive relief shall automatically expire on the date that is 90 days after its entry, unless the court makes the findings required under subsection (a)(1) for the entry of prospective relief and makes the order final before the expiration of the 90-day period. “(3)

PRISONER RELEASE ORDER.—(A) In any civil action with respect to prison conditions, no prisoner release order shall be entered unless—

“(i) a court has previously entered an order for less intrusive relief that has failed to remedy the deprivation of the Federal right sought to be remedied through the prisoner release order; and

“(ii) the defendant has had a reasonable amount of time to comply with the previous court orders.

“(B) In any civil action in Federal court with respect to prison conditions, a prisoner release order shall be entered only by a three-judge court in accordance with section 2284 of title 28, if the requirements of subparagraph (E) have been met.

“(C) A party seeking a prisoner release order in Federal court shall file with any request for such relief, a request for a three-judge court and materials sufficient to demonstrate that the requirements of subparagraph (A) have been met.

“(D) If the requirements under subparagraph (A) have been met, a Federal judge before whom a civil action with respect to prison conditions is pending who believes that a prisoner release order should be considered may sua sponte request the convening of a three-judge court to determine whether a prisoner release order should be entered.

“(E) The three-judge court shall enter a prisoner release order only if the court finds by clear and convincing evidence that—

“(i) crowding is the primary cause of the violation of a Federal right; and

“(ii) no other relief will remedy the violation of the Federal right.

“(F) Any State or local official or unit of government whose jurisdiction or function includes the appropriation of funds for the construction, operation, or maintenance of program facilities, or the prosecution or custody of persons who may be released from, or not admitted to, a prison as a result of a prisoner release order shall have standing to oppose the imposition or continuation in effect of such relief and to seek termination of such relief, and shall have the right to intervene in any proceeding relating to such relief.

“(b) TERMINATION OF RELIEF.—

“(1) TERMINATION OF PROSPECTIVE RELIEF.—(A) In any civil action with respect to prison conditions in which prospective relief is ordered, such relief shall be terminable upon the motion of any party or intervener—

“(i) 2 years after the date the court granted or approved the prospective relief;

“(ii) 1 year after the date the court has entered an order denying termination of prospective relief under this paragraph; or

“(iii) in the case of an order issued on or before the date of enactment of the Prison Litigation Reform Act, 2 years after such date of enactment.

“(B) Nothing in this section shall prevent the parties from agreeing to terminate or modify relief before the relief is terminated under subparagraph (A).

“(2) IMMEDIATE TERMINATION OF PROSPECTIVE RELIEF.—In any civil action with respect to prison conditions, a defendant or intervenor shall be entitled to the immediate termination of any prospective relief if the relief was approved or granted in the absence of a finding by the court that the relief is narrowly drawn, extends no further than necessary to correct the violation of the Federal right, and is the least intrusive means necessary to correct the violation of the Federal right. “(3)

LIMITATION.—Prospective relief shall not terminate if the court makes written findings based on the record that prospective relief remains necessary to correct a current or ongoing violation of the Federal right, extends no further than necessary to correct the violation of the Federal right, and that the prospective relief is narrowly drawn and the least intrusive means to correct the violation.

“(4) TERMINATION OR MODIFICATION OF RELIEF.—Nothing in this section shall prevent any party or intervenor from seeking modification or termination before the relief is terminable under paragraph (1) or (2), to the extent that modification or termination would otherwise be legally permissible.

“(c) SETTLEMENTS.—

“(1) CONSENT DECREES.—In any civil action with respect to prison conditions, the court shall not enter or approve a consent decree unless it complies with the limitations on relief set forth in subsection (a).

“(2) PRIVATE SETTLEMENT AGREEMENTS.—(A) Nothing in this section shall preclude parties from entering into a private settlement agreement that does not comply with the limitations on relief set forth in subsection (a), if the terms of that agreement are not subject to court enforcement other than the reinstatement of the civil proceeding that the agreement settled.

“(B) Nothing in this section shall preclude any party claiming that a private settlement agreement has been breached from seeking in State court any remedy available under State law.

“(d) STATE LAW REMEDIES.—The limitations on remedies in this section shall not apply to relief entered by a State court based solely upon claims arising under State law.

“(e) PROCEDURE FOR MOTIONS AFFECTING PROSPECTIVE RELIEF.—

“(1) GENERALLY.—The court shall promptly rule on any motion to modify or terminate prospective relief in a civil action with respect to prison conditions.

“(2) AUTOMATIC STAY.—Any prospective relief subject to a pending motion shall be automatically stayed during the period—

“(A)(i) beginning on the 30th day after such motion is filed, in the case of a motion made under paragraph (1) or (2) of subsection (b); or

“(ii) beginning on the 180th day after such motion is filed, in the case of a motion made under any other law; and

“(B) ending on the date the court enters a final order ruling on the motion.

“(f) SPECIAL MASTERS.—

“(1) IN GENERAL.—(A) In any civil action in a Federal court with respect to prison conditions, the court may appoint a special master who shall be disinterested and objective and who will give due regard to the public safety, to conduct hearings on the record and prepare proposed findings of fact.

“(B) The court shall appoint a special master under this subsection during the remedial phase of the action only upon a finding that the remedial phase will be sufficiently complex to warrant the appointment.

“(2) APPOINTMENT.—(A) If the court determines that the appointment of a special master is necessary, the court shall request that the defendant institution and the plaintiff each submit a list of not more than 5 persons to serve as a special master.

“(B) Each party shall have the opportunity to remove up to 3 persons from the opposing party’s list.

“(C) The court shall select the master from the persons remaining on the list after the operation of subparagraph (B).

“(3) INTERLOCUTORY APPEAL.—Any party shall have the right to an interlocutory appeal of the judge’s selection of the special master under this subsection, on the ground of partiality.

“(4) COMPENSATION.—The compensation to be allowed to a special master under this section shall be based on an hourly rate not greater than the hourly rate established under section 3006A for payment of court-appointed counsel, plus costs reasonably incurred by the special master. Such compensation and costs shall be paid with funds appropriated to the Judiciary.

“(5) REGULAR REVIEW OF APPOINTMENT.—In any civil action with respect to prison conditions in which a special master is appointed under this subsection, the court shall review the appointment of the special master every 6 months to determine whether the services of the special master continue to be required under paragraph (1). In no event shall the appointment of a special master extend beyond the termination of the relief.

“(6) LIMITATIONS ON POWERS AND DUTIES.—A special master appointed under this subsection—

“(A) may be authorized by a court to conduct hearings and prepare proposed findings of fact, which shall be made on the record;

“(B) shall not make any findings or communications ex parte;

“(C) may be authorized by a court to assist in the development of remedial plans; and

(5) experience has shown that reducing dropout rates in the critical middle and secondary school years requires individual student involvement and attention through such activities as arts or athletics; and

(6) experience has shown that close coordination between educators and business persons is required to provide noncollege-bound students the skills necessary for employment, and that personal attention is vitally important to assist each student in developing an appropriate career path.

42 USC 1437l.

(1) EXPANSION OF USE OF MODERNIZATION FUNDING.—Subsection 14(q) of the United States Housing Act of 1937 is amended to read as follows:

“(q)(1) In addition to the purposes enumerated in subsections (a) and (b), a public housing agency may use modernization assistance provided under section 14, and development assistance provided under section 5(a) that was not allocated, as determined by the Secretary, for priority replacement housing, for any eligible activity authorized by this section, by section 5, or by applicable Appropriations Acts for a public housing agency, including the demolition, rehabilitation, revitalization, and replacement of existing units and projects and, for up to 10 percent of its allocation of such funds in any fiscal year, for any operating subsidy purpose authorized in section 9. Except for assistance used for operating subsidy purposes under the preceding sentence, assistance provided to a public housing agency under this section shall principally be used for the physical improvement, replacement of public housing, other capital purposes, and for associated management improvements, and such other extraordinary purposes as may be approved by the Secretary. Low-income and very low-income units assisted under this paragraph shall be eligible for operating subsidies, unless the Secretary determines that such units or projects do not meet other requirements of this Act.

“(2) A public housing agency may provide assistance to developments that include units, other than units assisted under this Act (except for units assisted under section 8 hereof) (‘mixed income developments’), in the form of a grant, loan, operating assistance, or other form of investment which may be made to—

“(A) a partnership, a limited liability company, or other legal entity in which the public housing agency or its affiliate is a general partner, managing member, or otherwise participates in the activities of such entity; or

“(iii) as may otherwise be approved by the Secretary.

“(3) A mixed income development may elect to have all units subject only to the applicable local real estate taxes, notwithstanding that the low-income units assisted by public housing funds would otherwise be subject to section 6(d) of the Housing Act of 1937.

“(4) If an entity that owns or operates a mixed-income project under this subsection enters into a contract with a public housing agency, the terms of which obligate the entity to operate and maintain a specified number of units in the project as public housing units in accordance with the requirements of this Act for the period required by law, such contractual terms may provide that, if, as a result of a reduction in appropriations under section 9, or any other change in applicable law, the public housing agency is unable to fulfill its contractual obligations with respect to those public housing units, that entity may deviate, under procedures and requirements developed through regulations by the Secretary, from otherwise applicable restrictions under this Act regarding rents, income eligibility, and other areas of public housing management with respect to a portion or all of those public housing units, to the extent necessary to preserve the viability of those units while maintaining the low-income character of the units, to the maximum extent practicable.”.

SEC. 210. (a) On and after October 1, 1995, and before October 1, 1997, the Secretary of Housing and Urban Development shall initiate a demonstration program with respect to multifamily projects whose owners agree to participate and whose mortgages are insured under the National Housing Act and that are assisted under section 8 of the United States Housing Act of 1937 and whose present section 8 rents are, in the aggregate, in excess of the fair market rent of the locality in which the project is located. These programs shall be designed to test the feasibility and desirability of the goal of ensuring, to the maximum extent practicable, that the debt service and operating expenses, including adequate reserves, attributable to such multifamily projects can be supported with or without mortgage insurance under the National Housing Act and with or without above-market rents and utilizing project-based assistance or, with the consent of the property owner, tenant-based assistance, while taking into account the need for assistance of low- and very low-income families in such projects. In carrying out this demonstration, the Secretary may use arrangements with third parties, under which the Secretary may provide for the assumption by the third parties (by delegation, contract, or otherwise) of some or all of the functions, obligations, and benefits of the Secretary.

(1) GOALS.—The Secretary of Housing and Urban Development shall carry out the demonstration programs under this section in a manner that—

- (A) will protect the financial interests of the Federal Government;
- (B) will result in significant discretionary cost savings through debt restructuring and subsidy reduction; and
- (C) will, in the least costly fashion, address the goals of—
 - (i) maintaining existing housing stock in a decent, safe, and sanitary condition;
 - (ii) minimizing the involuntary displacement of tenants;
 - (iii) restructuring the mortgages of such projects in a manner that is consistent with local housing market conditions;
 - (iv) supporting fair housing strategies;
 - (v) minimizing any adverse income tax impact on property owners; and
 - (vi) minimizing any adverse impact on residential neighborhoods.

In determining the manner in which a mortgage is to be restructured or the subsidy reduced, the Secretary may balance competing goals relating to individual projects in a manner that will further the purposes of this section.

(2) DEMONSTRATION APPROACHES.—In carrying out the demonstration programs, subject to the appropriation in subsection (f), the Secretary may use one or more of the following approaches:

(A) Joint venture arrangements with third parties, under which the Secretary may provide for the assumption by the third parties (by delegation, contract, or otherwise) of some or all of the functions, obligations, and benefits of the Secretary.

(B) Subsidization of the debt service of the project to a level that can be paid by an owner receiving an unsubsidized market rent.

(C) Renewal of existing project-based assistance contracts where the Secretary shall approve proposed initial rent levels that do not exceed the greater of 120 percent of fair market rents or comparable market rents for the relevant metropolitan market area or at rent levels under a budget-based approach.

(D) Nonrenewal of expiring existing project-based assistance contracts and providing tenant-based assistance to previously assisted households.

(b) For purposes of carrying out demonstration programs under subsection (a)—

(1) the Secretary may manage and dispose of multifamily properties owned by the Secretary as of October 1, 1995 and multifamily mortgages held by the Secretary as of October 1, 1995 for properties assisted under section 8 with rents above 110 percent of fair market rents without regard to any other provision of law; and

(2) the Secretary may delegate to one or more entities the authority to carry out some or all of the functions and responsibilities of the Secretary in connection with the foreclosure of mortgages held by the Secretary under the National Housing Act.

(c) For purposes of carrying out demonstration programs under subsection (a), subject to such third party consents (if any) as are necessary including but not limited to (i) consent by the Government National Mortgage Association where it owns a mortgage insured by the Secretary; (ii) consent by an issuer under the mortgage-backed securities program of the Association, subject to the responsibilities of the issuer to its security holders and the Association under such program; and (iii) parties to any contractual agreement which the Secretary proposes to modify or discontinue, and subject to the appropriation in subsection (c), the Secretary or one or more third parties designated by the Secretary may take the following actions:

(1) Notwithstanding any other provision of law, and subject to the agreement of the project owner, the Secretary or third party may remove, relinquish, extinguish, modify, or agree to the removal of any mortgage, regulatory agreement, project-based assistance contract, use agreement, or restriction that had been imposed or required by the Secretary, including restrictions on distributions of income which the Secretary or

third party determines would interfere with the ability of the project to operate without above market rents. The Secretary or third party may require an owner of a property assisted under the section 8 new construction/substantial rehabilitation program to apply any accumulated residual receipts toward effecting the purposes of this section.

(2) Notwithstanding any other provision of law, the Secretary of Housing and Urban Development may enter into contracts to purchase reinsurance, or enter into participations or otherwise transfer economic interest in contracts of insurance or in the premiums paid, or due to be paid, on such insurance to third parties, on such terms and conditions as the Secretary may determine.

(3) The Secretary may offer project-based assistance with rents at or below fair market rents for the locality in which the project is located and may negotiate such other terms as are acceptable to the Secretary and the project owner.

(4) The Secretary may offer to pay all or a portion of the project's debt service, including payments monthly from the appropriate Insurance Fund, for the full remaining term of the insured mortgage.

(5) Notwithstanding any other provision of law, the Secretary may forgive and cancel any FHA-insured mortgage debt that a demonstration program property cannot carry at market rents while bearing full operating costs.

(6) For demonstration program properties that cannot carry full operating costs (excluding debt service) at market rents, the Secretary may approve project-based rents sufficient to carry such full operating costs and may offer to pay the full debt service in the manner provided in paragraph (4).

(d) COMMUNITY AND TENANT INPUT.—In carrying out this section, the Secretary shall develop procedures to provide appropriate and timely notice to officials of the unit of general local government affected, the community in which the project is situated, and the tenants of the project.

(e) LIMITATION ON DEMONSTRATION AUTHORITY.—The Secretary may carry out demonstration programs under this section with respect to mortgages not to exceed 15,000 units. The demonstration authorized under this section shall not be expanded until the reports required under subsection (g) are submitted to the Congress.

(b) **RUSSIAN HEU.**—(1) On or before December 31, 1996, the United States Executive Agent under the Russian HEU Agreement shall transfer to the Secretary without charge title to an amount of uranium hexafluoride equivalent to the natural uranium component of low-enriched uranium derived from at least 18 metric tons of highly enriched uranium purchased from the Russian Executive Agent under the Russian HEU Agreement. The quantity of such uranium hexafluoride delivered to the Secretary shall be based on a tails assay of 0.30 U²³⁵. Uranium hexafluoride transferred to the Secretary pursuant to this paragraph shall be deemed under United States law for all purposes to be of Russian origin.

(2) Within 7 years of the date of enactment of this Act, the Secretary shall sell, and receive payment for, the uranium hexafluoride transferred to the Secretary pursuant to paragraph (1). Such uranium hexafluoride shall be sold—

- (A) at any time for use in the United States for the purpose of overfeeding;
- (B) at any time for end use outside the United States;
- (C) in 1995 and 1996 to the Russian Executive Agent at the purchase price for use in matched sales pursuant to the Suspension Agreement; or,

(3) With respect to all enriched uranium delivered to the United States Executive Agent under the Russian HEU Agreement on or after January 1, 1997, the United States Executive Agent shall, upon request of the Russian Executive Agent, enter into an agreement to deliver concurrently to the Russian Executive Agent an amount of uranium hexafluoride equivalent to the natural uranium component of such uranium. An agreement executed pursuant to a request of the Russian Executive Agent, as contemplated in this paragraph, may pertain to any deliveries due during any period remaining under the Russian HEU Agreement. The quantity of such uranium hexafluoride delivered to the Russian Executive Agent shall be based on a tails assay of 0.30 U²³⁵. Title to uranium hexafluoride delivered to the Russian Executive Agent pursuant to this paragraph shall transfer to the Russian Executive Agent upon delivery of such material to the Russian Executive Agent,

with such delivery to take place at a North American facility designated by the Russian Executive Agent. Such uranium hexafluoride may be sold to any person or entity for delivery and use in the United States only as permitted in subsections (b)(5), (b)(6) and (b)(7) of this section.

(4) In the event that the Russian Executive Agent does not exercise its right to enter into an agreement to take delivery of the natural uranium component of any low-enriched uranium, as contemplated in paragraph (3), within 90 days of the date such low-enriched uranium is delivered to the United States Executive Agent, or upon request of the Russian Executive Agent, then the United States Executive Agent shall engage an independent entity through a competitive selection process to auction an amount of uranium hexafluoride or U_3O_8 (in the event that the conversion component of such hexafluoride has previously been sold) equivalent to the natural uranium component of such low-enriched uranium. An agreement executed pursuant to a request of the Russian Executive Agent, as contemplated in this paragraph, may pertain to any deliveries due during any period remaining under the Russian HEU Agreement. Such independent entity shall sell such uranium hexafluoride in one or more lots to any person or entity to maximize the proceeds from such sales, for disposition consistent with the limitations set forth in this subsection. The independent entity shall pay to the Russian Executive Agent the proceeds of any such auction less all reasonable transaction and other administrative costs. The quantity of such uranium hexafluoride auctioned shall be based on a tails assay of 0.30 U^{235} . Title to uranium hexafluoride auctioned pursuant to this paragraph shall transfer to the buyer of such material upon delivery of such material to the buyer. Uranium hexafluoride auctioned pursuant to this paragraph shall be deemed under United States law for all purposes to be of Russian origin.

(5) Except as provided in paragraphs (6) and (7), uranium hexafluoride delivered to the Russian Executive Agent under paragraph (3) or auctioned pursuant to paragraph (4), may not be delivered for consumption by end users in the United States either directly or indirectly prior to January 1, 1998, and thereafter only in accordance with the following schedule:

(7) Uranium hexafluoride delivered to the Russian Executive Agent under paragraph (3) or auctioned pursuant to paragraph (4) may be sold at any time for use in the United States for the purpose of overfeeding in the operations of enrichment facilities.

(8) Nothing in this subsection (b) shall restrict the sale of the conversion component of such uranium hexafluoride.

(9) The Secretary of Commerce shall have responsibility for the administration and enforcement of the limitations set forth in this subsection. (B) for a new capital investment, a rate determined by the Secretary of the Treasury, taking into consideration prevailing market yields, during the month preceding the beginning of the fiscal year in which the related project, facility, or separable unit or feature is placed in service, on outstanding interest-bearing obligations of the United States with periods to maturity comparable to the period between the beginning of the fiscal year and the repayment date for the new capital investment.

(b) NEW PRINCIPAL AMOUNTS.—

Effective date.

(1) PRINCIPAL AMOUNT.—Effective October 1, 1996, an old capital investment has a new principal amount that is the sum of—

(A) the present value of the old payment amounts for the old capital investment, calculated using a discount rate equal to the Treasury rate for the old capital investment; and

(B) an amount equal to \$100,000,000 multiplied by a fraction whose numerator is the principal amount of the old payment amounts for the old capital investment and whose denominator is the sum of the principal amounts of the old payment amounts for all old capital investments.

(2) DETERMINATION.—With the approval of the Secretary of the Treasury based solely on consistency with this section, the Administrator shall determine the new principal amounts under subsection (b) and the assignment of interest rates to the new principal amounts under subsection (c).

(3) OLD PAYMENT AMOUNTS.—For the purposes of this subsection, “old payment amounts” means, for an old capital investment, the annual interest and principal that the Administrator

(c) INTEREST RATE FOR NEW PRINCIPAL AMOUNTS.—

As of October 1, 1996, the unpaid balance on the new principal amount established for an old capital investment under subsection (b) bears interest annually at the Treasury rate for the old capital investment until the earlier of the date that the new principal amount is repaid or the repayment date for the new principal amount.

(d) REPAYMENT DATES.—

As of October 1, 1996, the repayment date for the new principal amount established for an old capital investment under subsection (b) is no earlier than the repayment date for the old capital investment assumed in subsection (b)(3)(A).

(B) accrued interest during construction.

(2) PAYMENT.—The Administrator is not required to pay, during construction of the project, facility, or separable unit or feature, the interest calculated, accrued, and capitalized under subsection (f)(1).

(3) ONE-YEAR RATE.—For the purposes of this section, “one-year rate” for a fiscal year means a rate determined by the Secretary of the Treasury, taking into consideration prevailing market yields, during the month preceding the beginning of the fiscal year, on outstanding interest-bearing obligations of the United States with periods to maturity of approximately one year.

(a)(1) This section may be cited as the “Debt Collection Improvement Act of 1996”.

(2)(A) IN GENERAL.—The provisions of this section and the amendments made by this section shall take effect on the date of the enactment of this Act.

(6) To encourage agencies, when appropriate, to sell delinquent debt, particularly debts with underlying collateral.

(7) To rely on the experience and expertise of private sector professionals to provide debt collection services to Federal agencies.

(c) Chapter 37 of title 31, United States Code, is amended—

(1) in each of sections 3711, 3716, 3717, and 3718, by striking “the head of an executive or legislative agency” each place it appears and inserting “the head of an executive, judicial, or legislative agency”; and

(2) by amending section 3701(a)(4) to read as follows:

“(4) ‘executive, judicial, or legislative agency’ means a department, agency, court, court administrative office, or instrumentality in the executive, judicial, or legislative branch of Government, including government corporations.”.

(d)(1) PERSONS SUBJECT TO ADMINISTRATIVE OFFSET.—Section 3701(c) of title 31, United States Code, is amended to read as follows:

“(c) In sections 3716 and 3717 of this title, the term ‘person’ does not include an agency of the United States Government.”.

(2) REQUIREMENTS AND PROCEDURES.—Section 3716 of title 31, United States Code, is amended—

(A) by amending subsection (b) to read as follows:

“(b) Before collecting a claim by administrative offset, the head of an executive, judicial, or legislative agency must either—

“(1) adopt, without change, regulations on collecting by administrative offset promulgated by the Department of Justice, the General Accounting Office, or the Department of the Treasury; or

“(2) prescribe regulations on collecting by administrative offset consistent with the regulations referred to in paragraph (1).”;

(B) by amending subsection (c)(2) to read as follows:

“(2) when a statute explicitly prohibits using administrative offset or setoff to collect the claim or type of claim involved.”;

(C) by redesignating subsection (c) as subsection (e); and

(D) by inserting after subsection (b) the following new subsections:

“(c)(1)(A) Except as otherwise provided in this subsection, a disbursing official of the Department of the Treasury, the Department of Defense, the United States Postal Service, or any other government corporation, or any disbursing official of the United States designated by the Secretary of the Treasury, shall offset at least annually the amount of a payment which a payment certifying agency has certified to the disbursing official for disbursement, by an amount equal to the amount of a claim which a creditor agency has certified to the Secretary of the Treasury pursuant to this subsection.

“(B) An agency that designates disbursing officials pursuant to section 3321(c) of this title is not required to certify claims

arising out of its operations to the Secretary of the Treasury before such agency's disbursing officials offset such claims.

“(C) Payments certified by the Department of Education under a program administered by the Secretary of Education under title IV of the Higher Education Act of 1965 shall not be subject to administrative offset under this subsection.

“(2) Neither the disbursing official nor the payment certifying agency shall be liable—

“(A) for the amount of the administrative offset on the basis that the underlying obligation, represented by the payment before the administrative offset was taken, was not satisfied; or

“(B) for failure to provide timely notice under paragraph (8).

“(3)(A)(i) Notwithstanding any other provision of law (including sections 207 and 1631(d)(1) of the Social Security Act (42 U.S.C. 407 and 1383(d)(1)), section 413(b) of Public Law 91-173 (30 U.S.C. 923(b)), and section 14 of the Act of August 29, 1935 (45 U.S.C. 231m)), except as provided in clause (ii), all payments due to an individual under—

“(I) the Social Security Act,

“(II) part B of the Black Lung Benefits Act, or

“(III) any law administered by the Railroad Retirement Board (other than payments that such Board determines to be tier 2 benefits), shall be subject to offset under this section.

“(ii) An amount of \$9,000 which a debtor may receive under Federal benefit programs cited under clause (i) within a 12-month period shall be exempt from offset under this subsection. In applying the \$9,000 exemption, the disbursing official shall—

“(I) reduce the \$9,000 exemption amount for the 12-month period by the amount of all Federal benefit payments made during such 12-month period which are not subject to offset under this subsection; and

“(II) apply a prorated amount of the exemption to each periodic benefit payment to be made to the debtor during the applicable 12-month period.

For purposes of the preceding sentence, the amount of a periodic benefit payment shall be the amount after any reduction or deduction required under the laws authorizing the program under which such payment is authorized to be made (including any reduction or deduction to recover any overpayment under such program). “(B)

The Secretary of the Treasury shall exempt from administrative offset under this subsection payments under means-tested programs when requested by the head of the respective agency. The

Secretary may exempt other payments from administrative offset under this subsection upon the written request of the head of a payment certifying agency. A written request for exemption of other payments must provide justification for the exemption under standards prescribed by the Secretary. Such standards shall give due consideration to whether administrative offset would tend to interfere substantially with or defeat the purposes of the payment certifying agency's program. The Secretary shall report to the Congress annually on exemptions granted under this section.

Reports.

“(C) The provisions of sections 205(b)(1) and 1631(c)(1) of the Social Security Act shall not apply to any administrative offset

executed pursuant to this section against benefits authorized by either title II or title XVI of the Social Security Act, respectively. “(4)

The Secretary of the Treasury may charge a fee sufficient to cover the full cost of implementing this subsection. The fee may be collected either by the retention of a portion of amounts collected pursuant to this subsection, or by billing the agency referring or transferring a claim for those amounts. Fees charged to the agencies shall be based on actual administrative offsets completed. Amounts received by the United States as fees under this subsection shall be deposited into the account of the Department of the Treasury under section 3711(g)(7) of this title, and shall be collected and accounted for in accordance with the provisions of that section.

Rules,
regulations, and
procedures.

Notification.

“(5) The Secretary of the Treasury in consultation with the Commissioner of Social Security and the Director of the Office of Management and Budget, may prescribe such rules, regulations, and procedures as the Secretary of the Treasury considers necessary to carry out this subsection. The Secretary shall consult with the heads of affected agencies in the development of such rules, regulations, and procedures.

“(6) Any Federal agency that is owed by a person a past due, legally enforceable nontax debt that is over 180 days delinquent, including nontax debt administered by a third party acting as an agent for the Federal Government, shall notify the Secretary of the Treasury of all such nontax debts for purposes of administrative offset under this subsection.

Notification.

“(7)(A) The disbursing official conducting an administrative offset with respect to a payment to a payee shall notify the payee in writing of—

“(i) the occurrence of the administrative offset to satisfy a past due legally enforceable debt, including a description of the type and amount of the payment otherwise payable to the payee against which the offset was executed;

“(ii) the identity of the creditor agency requesting the offset; and

“(iii) a contact point within the creditor agency that will handle concerns regarding the offset.

“(B) If the payment to be offset is a periodic benefit payment, the disbursing official shall take reasonable steps, as determined by the Secretary of the Treasury, to provide the notice to the payee not later than the date on which the payee is otherwise scheduled to receive the payment, or as soon as practical thereafter, but no later than the date of the administrative offset. Notwithstanding the preceding sentence, the failure of the debtor to receive such notice shall not impair the legality of such administrative offset.

“(8) A levy pursuant to the Internal Revenue Code of 1986 shall take precedence over requests for administrative offset pursuant to other laws.

“(d) Nothing in this section is intended to prohibit the use of any other administrative offset authority existing under statute or common law.”.

(3) NONTAX DEBT OR CLAIM DEFINED.—Section 3701 of title 31, United States Code, is amended in subsection (a) by adding at the end the following new paragraph:

“(8) ‘nontax’ means, with respect to any debt or claim, any debt or claim other than a debt or claim under the Internal Revenue Code of 1986.”.

“(2) ATTEMPT TO COLLECT REQUIRED.—Prior to directing offset under subsection (a)(1), the Secretary shall first attempt to collect amounts owed in the manner provided by sections 3711 and 3716.”.

(e) Section 3716 of title 31, United States Code, as amended by subsection (d)(2) of this section, is further amended by adding at the end the following new subsections:

“(f) The Secretary may waive the requirements of sections 552a(o) and (p) of title 5 for administrative offset or claims collection upon written certification by the head of a State or an executive, judicial, or legislative agency seeking to collect the claim that the requirements of subsection (a) of this section have been met.

“(g) The Data Integrity Board of the Department of the Treasury established under 552a(u) of title 5 shall review and include in reports under paragraph (3)(D) of that section a description of any matching activities conducted under this section. If the Secretary has granted a waiver under subsection (f) of this section, no other Data Integrity Board is required to take any action under section 552a(u) of title 5.”.

(f) Section 3716 of title 31, United States Code, as amended by subsections (d) and (e) of this section, is further amended by adding at the end the following new subsection:

“(h)(1) The Secretary may, in the discretion of the Secretary, apply subsection (a) with respect to any past-due, legally-enforceable debt owed to a State if—
