November 15, 2024

Attached is the list of **agenda items** tentatively scheduled for the **National Capital Planning Commission meeting** on **Thursday, December 5, 2024, 1:00 PM** and at subsequent meetings. **The public can participate in this NCPC Commission meeting either online or in person. Further details are provided on NCPC's website, www.ncpc.gov.**

Commission meetings are open to the public, and individuals or groups wishing to offer their viewpoint may give testimony on any project listed on the Tentative Agenda that requires Commission approval. Anyone wishing to testify about a project must register and provide their testimony in writing by the deadlines shown below. Information about commenting or speaking at a NCPC meeting is available online.

The Tentative Agenda classification of projects as **Proposed Action Items, Delegated Items, and Exceptions** is preliminary and subject to change prior to the Commission meeting. Understanding the circumstances for such changes will help the public to participate in the Commission's review process. Project classifications are as follows:

- **Action Items** are projects that will be presented and discussed at the Commission meeting. Members of the public are invited to give testimony on these projects. Some projects listed as *Proposed Action Items* on the Tentative Agenda will be moved to the **Consent Calendar** if no speakers have registered by the deadline (see schedule below). The Commission votes on the Consent Calendar Items but does not hear a presentation or public testimony.
- **Delegated Items** are projects that the Commission delegates to the Chairman, Executive Committee, or Executive Director. Some projects listed as *Proposed Delegated Items* may become Action Items if a member of the public registers to speak on that item by the deadline (see schedule below).
- **Exceptions** are types of projects where NCPC staff determines that a project is exempt from Commission review, based on certain criteria. Projects listed as *Proposed Exceptions* may become Action Items if a member of the public registers to speak on that item by the deadline (see schedule below).

Please follow the schedule below to ensure that you meet the deadlines to express your views:

November 22, 2024 5:00 PM	Deadline for submitting written comments or registering to speak on ***Proposed Delegated Items and Exceptions***. If no registrations are received on ***Proposed Exceptions***, the items will not be reviewed by the Commission.
November 27, 2024 12:00 Noon	Deadline for registering to speak at the Commission meeting on ***Proposed Action Items***. If no member of the public signs up to speak on a ***Proposed Action Item*** by this deadline, then the project may be moved to the Consent Calendar and acted on by the Commission without presentation or discussion.
November 29, 2024	Copies of the Executive Director's Recommendations on ***Final Action Items*** become available to the public on the Friday prior to the Commission meeting day.
December 4, 2024 12:00 Noon	Deadline for registering to speak on ***Final Action Items*** listed on NCPC's website: www.ncpc.gov, or to submit written comments for distribution to the Commission for consideration on December 5. Anyone testifying at the meeting should submit a copy of their testimony by this deadline.

Please note our policy for those **speaking on behalf of an organization:** Prior to giving testimony at each Commission meeting, please submit to NCPC an official letter from your organization, stating that your testimony is authorized by the organization.

Submission materials can be reviewed online at www.ncpc.gov. If you wish to communicate your views in writing or in person on any of the items listed on the agenda, **please visit the following web page https://go.ncpc.gov/register,** email info@ncpc.gov, or call **(202) 482-7200.** Public views on non-federal plans and projects should be limited to their effect on federal interests in the National Capital Region.

The Final Agenda will be available at www.ncpc.gov on November 29, 2024. Agenda items are occasionally withdrawn prior to the Commission meeting. Please email or call NCPC to confirm any item of particular interest.
