Attached is the list of **agenda items** tentatively scheduled for the **National Capital Planning Commission meeting on Thursday, October 1, 2026, 1:00 PM** and at subsequent meetings. **The public can participate in this NCPC Commission meeting either online or in person. Further details are provided on NCPC's website, www.ncpc.gov.**

Commission meetings are open to the public, and individuals or groups wishing to offer their viewpoint may provide comments on any project listed on the Tentative Agenda that requires Commission approval. Anyone wishing to testify about an Action Item must register and provide their testimony in writing by the deadlines shown below.

The Tentative Agenda classification of projects as **Proposed Action Items, Delegated Items, and Exceptions** is preliminary and subject to change prior to the Commission meeting. Understanding the circumstances for such changes will help the public to participate in the Commission's review process. Project classifications are as follows:

- **Action Items** are projects that will be presented and discussed at the Commission meeting. Members of the public are invited to give testimony on these projects. Some projects listed as *Proposed Action Items* on the Tentative Agenda will be moved to the **Consent Calendar** if no speakers have registered by the deadline (see schedule below). The Commission votes on the Consent Calendar Items but does not hear a presentation or public testimony.
- **Delegated Items** are projects that the Commission delegates to the Chair, or Executive Director. Members of the public can submit written comments on Delegated Items.
- **Exceptions** are types of projects where NCPC staff determines that a project is exempt from Commission review, based on certain criteria. Members of the public can submit written comments on Exceptions.

Please follow the schedule below to ensure that you meet the deadlines to express your views:
