PROJECT Dwight D. Eisenhower Memorial Modification National Mall and Memorial Parks Bound by Independence Avenue, 4th Street, and 6th Streets, SW and by the Lyndon B. Johnson Department of Education Headquarters Building Washington, DC	NCPC FILE NUMBER 6694 NCPC MAP FILE NUMBER 1.71(38.00)44490 APPLICANT'S REQUEST Approval of comments on revised concept design ACTION TAKEN Approve comments on revised concept design REVIEW AUTHORITY Approval - Commemorative Works per 40 U.S.C. § 8905
SUBMITTED BY United States Department of the Interior, National Park Service on behalf of the Dwight D. Eisenhower Memorial Commission	

The Commission:

Comments favorably on the revised concept design for the Dwight D. Eisenhower Memorial.

Finds that the overall placement, scale and assembly of the primary memorial elements have not significantly changed since final approval, including the stainless steel tapestry and supporting colonnade, freestanding columns, memorial core, landscaping, and information center.

Finds that the revised memorial design concept continues to satisfy the site selection design principles adopted by the Commission in September 2006.

Requests additional visual studies and a mock-up of the revised tapestry that address any impacts to the Lyndon B. Johnson Department of Education Headquarters including views of the building through the tapestry, the memorial itself, and surrounding context.

Requests a revised lighting plan consistent with the overall lighting design for the memorial that considers the relocated young Eisenhower sculpture and its associated inscription wall.

Requests that the applicant conduct additional Section 106 consultation to ensure that the proposed design changes will not result in new or intensified adverse effects to historic properties.
