SUBMITTED BY United States Department of Defense Washington Headquarters Services	NCPC MAP FILE NUMBER 1.62(38.00)44503
	APPLICANT'S REQUEST Approval of preliminary site and building plans
	ACTION TAKEN Approve preliminary site and building plans with comments
	REVIEW AUTHORITY Advisory per 40 U.S.C. § 8722(b)(1)

The Commission:

Approves the preliminary site and building plans for the Employee Screening Facility at the Pentagon Metro Entrance, located in Arlington County, Virginia.

Requests the applicant evaluate additional connections between the bus terminal landing and the vestibule area to provide increased accessibility for pedestrians.

Recommends Washington Headquarters Services coordinate with the Washington Metropolitan Area Transit Authority regarding the provision of directional and wayfinding signage for visitors and employees to improve circulation throughout the facility.

Requests the applicant further evaluate the relationship of the proposed facility to the surrounding context, particularly the existing Metro canopies, to ensure a simple, cohesive design, and to avoid visual clutter.

Recommends Washington Headquarters Services coordinate with the Washington Metropolitan Area Transit Authority and other appropriate stakeholders to avoid impacts to pedestrian access and transit service during construction.
