| REVIEW AUTHORITY Advisory per 40 U.S.C. § 8722(b)(1) | APPLICANT'S REQUEST Approval of preliminary site and building plans |
| | ACTION TAKEN Approved preliminary site and building plans with comments |

The Commission:

Approves preliminary site and building plans for the Building 10 entrance alteration project at the Naval Support Activity Bethesda.

Concurs with the project design approach to establish a more modern, inviting entry area for the hospital.

Recommends the applicant consider additional traffic calming devices at the drop-off area for pedestrian safety and minimizing the width of the supporting canopy columns to improve the overall project design.

Julia A. Koster
Secretary to the National Capital Planning Commission
