The Commission:

**Approves** the preliminary and final building plans for three antenna sector modifications at rooftop locations at the United States Department of Housing and Urban Development – Robert C. Weaver Building. Each antenna sector modification includes replacement of one panel antenna with a smaller 2'-1" x 1'-7" combined antenna/Remote Radio Head unit, and removal of one Remote Radio Head.

**Requires** GSA and Sprint to work with NCPC staff to finalize color selections for its new and existing antenna equipment, prior to installation, to best minimize visual impacts from surrounding perspectives.

**Notes** that NCPC staff is working with GSA to study antenna planning policies and concealment strategies within the context of downtown Washington, DC, with potential revised antenna policies planned for review by NCPC in the fall 2019.
