PROJECT United States Export-Import Bank, Lafayette Federal Building - Sprint Telecommunications Facility Upgrades 811 Vermont Avenue, NW Washington, DC	NCPC FILE NUMBERS 8050
SUBMITTED BY United States General Services Administration	NCPC MAP FILE NUMBERS 21.00(38.30)44882
REVIEW AUTHORITY Approval per 40 U.S.C. § 8722(b)(1) and (d)	APPLICANT'S REQUEST Approval of preliminary and final building plans
	ACTION TAKEN Approved preliminary and final building plans with comments

The Commission:

Approves the preliminary and final building plans for three antenna sector modifications at rooftop locations at the Export-Import Bank – Lafayette Building. Each antenna sector modification includes replacement of one panel antenna with a smaller 2'-1" x 1'-7" combined antenna/Remote Radio Head unit, and removal of one Remote Radio Head.

Requires GSA and Sprint to work with NCPC staff to finalize color selections for its new and existing antenna equipment, prior to installation, to best minimize visual impacts from surrounding perspectives.

Notes that NCPC staff is working with GSA to study antenna planning policies and concealment strategies within the context of downtown Washington, DC, with potential revised antenna policies planned for review by NCPC in the fall 2019.

Julia A. Koster
Secretary to the National Capital Planning Commission
