The Commission:

**Approves** the final site development plans for the proposed National Native American Veterans Memorial located on the grounds of the National Museum of the American Indian (NMAI) at 4th Street and Independence Avenue, SW in Washington, DC.

**Finds** the applicant has updated the railing design; prepared construction access and disturbance plans to limit impacts to the wetland; provided a landscape plan that includes tree replacement to prevent net loss of tree canopy; provided a stormwater management plan; and prepared a lighting plan that is consistent with the illumination strategy for the museum and that respects the hierarchy of lighting on the National Mall.

**Notes** the applicant will prepare a full-scale mock-up of the railing that staff will be able to review during construction.

**Recommends** the applicant continue to coordinate with the National Park Service regarding Jefferson Drive before and during construction.
