The DC State Historic Preservation Office (DC SHPO) has reviewed the above-referenced federal undertaking(s) in accordance with Section 106 of the National Historic Preservation Act and has determined:

<input type="checkbox"/>	This project will have no effect on historic properties. No further DC SHPO review or comment will be necessary.
<input type="checkbox"/>	There are no historic properties that will be affected by this project. No further DC SHPO review or comment will be necessary.
<input checked="" type="checkbox"/>	This project will have no adverse effect on historic properties. No further DC SHPO review or comment will be necessary.
<input type="checkbox"/>	This project will have no adverse effect on historic properties conditioned upon fulfillment of the measures stipulated below.
<input type="checkbox"/>	Other Comments / Additional Comments (see below):

Thank you for providing this opportunity to review and comment. We concur with the finding of No Adverse Effect for both above-ground and archaeological resources. Portions of the project area were subject to archaeological survey during the Asia Trail redevelopment (Report #471) and no resources were identified. No additional archaeological survey is warranted for this undertaking.
