Project Summary:

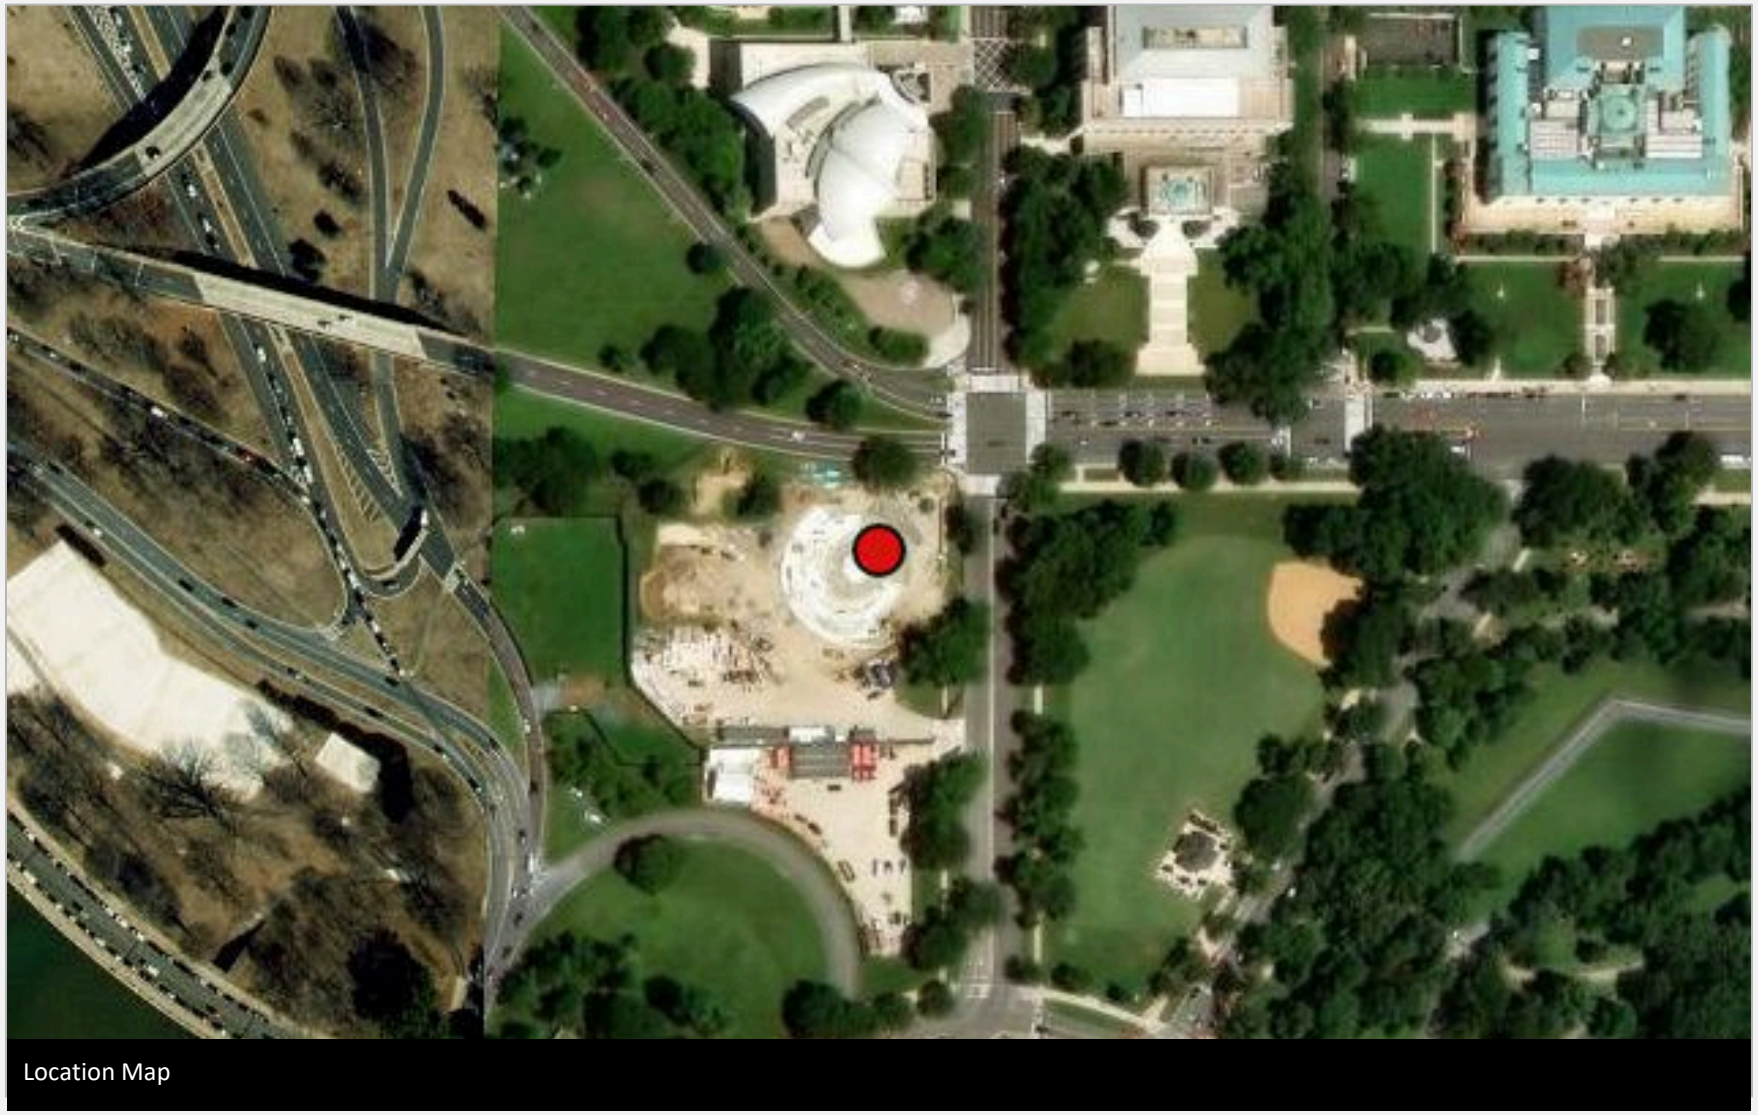

The National Park Service has submitted preliminary and final site development plans for a proposed project recognition panel at the National Desert Shield and Desert Storm Memorial.

The panel will recognize the individuals and firms who contributed to the design, fabrication, and construction of the Memorial.

The proposed panel is a rectangular bronze plaque that is similar in design character as the donor plaques previously approved. The project recognition panel measures 4 feet long by approximately 1 foot, 5 inches tall and will be located on the northern side of the dune bed near the site's access point on Constitution Avenue.
