The DC Historic Preservation Office (DC HPO) has reviewed the above-referenced DC project(s) in accordance with Sections 9a and 9b of the Historic Landmark and Historic District Protection Act (DC Official Code §§ 6-1108.01 and 6-1108.02) and has determined that:

☐ This project will have no effect on historic properties. No further DC HPO review or comment will be necessary.

☐ There are no historic properties that will be affected by this project. No further DC HPO review or comment will be necessary.

☒ This project will have no adverse effect on historic properties. No further DC HPO review or comment will be necessary.

☐ This project will have no adverse effect on historic properties conditioned upon fulfillment of the measures stipulated below.

The DC SHPO has reviewed the plans received on 9/18/20 for building alterations at the Patrick Henry Building, a non-contributing building within the Pennsylvania avenue Historic Site. Alterations include the installation of bollards, column hardening, window improvements, rooftop enclosures, and a guardbooth at the garage entrance. The SHPO concurs with GSA’s findings and we thank you for providing our office the opportunity to comment.
