Records sufficient to identify all career employees who, between January 20, 2021, and the date this records request is processed, have been detailed to 1) a position eligible to be filled by a Political Appointee, or 2) a new position through coordination or consultation with either the White House Liaison or Presidential Personnel Office; the title or position of each employee while on detail; and each employee's originating agency or component, and prior title. For each individual identified in response to Requests 1 and 2 provide: 1. I no objection to the redaction of employee's contact information, such as email, address, phone numbers etc.; however, prior employment, education, and descriptions of such experiences are not exempt and should be produced. 2. Definitions For the purposes of this request, "Political Appointee" means any person who is employed by the Department who is: 1) Presidentially Appointed and Senate Confirmed (PAS); 2) Presidentially Appointed (PA); 3) in a non-career Senior Executive Service (SES) position; 5) a career SES but has been detailed to a leadership or political position since January 20, 2021, 6) a Schedule C employee; 7) in an administratively determined position; 8) in a position that was filled by coordination with, or through, the White House Liaison or Presidential Personnel Office (PPO) or 9) a Special Government Employee (SGE). To the extent an SGE is not a Political Appointee or an actual employee any request or reference to a political appointee or employee should be read to mean "Political Appointee or SGE." I am amicable to a rolling production as records are available. To further narrow down the scope of the request, requester does not seek correspondence that merely forwards press clippings, such as news accounts or opinion pieces, newsletters, and published or docketed materials, if that correspondence has no comment or no substantive comment added by any party in the thread. The terms "pertaining to," "referring," "relating," or "concerning" with respect to any given subject means anything that constitutes, contains, embodies, reflects, identifies, states, refers to, deals with, or is in any manner whatsoever pertinent to that subject. The term "record" means any written, recorded, or graphic matter of any nature whatsoever, regardless of how recorded, and whether original or copy, including, but not limited to, the following: memoranda, reports, expense reports, books, manuals, instructions, financial reports, working papers, records, notes, letters, notices, confirmations, telegrams, receipts, appraisals, pamphlets, magazines, newspapers, prospectuses, inter-office and intra-office communications, electronic mail (emails), MMS or SMS text messages, instant messages, messaging systems (such as iMessage, Microsoft Teams, WhatsApp, Telegram, Signal, Google Chat, Twitter direct messages, Lync, Slack, and Facebook Messenger), contracts, cables, telexes, notations of any type of conversation, telephone call, voicemail, meeting or other communication. Please comply fully with 5 U.S.C. § 552(b). To further narrow down the scope of the request, the requester does not seek correspondence that merely forwards press clippings, such as news accounts or opinion pieces, newsletters, and published or docketed materials, if that correspondence has no comment or no substantive comment added by any party in the thread. Accordingly, without limitation to the foregoing, if any portion of this request is denied for any reason, please provide written notice of the records or portions of records that are being withheld and cite each specific exemption of the Freedom of Information Act on which the agency relies. Moreover, to the extent that responsive records may be withheld in part produce all reasonably segregable portions of those records. Additionally, please provide all responsive documents even if they are redacted in full. This request is primarily and fundamentally for non-commercial purposes. As an investigative journalist and author, my request is in the public interest to inform the public. I would draw your attention to the memorandum, released March 15, 2022 that requires both agencies adhere to proactive disclosures for "records that have been requested three times or more, or that have become or are likely to become the subject of subsequent requests" as well as to uphold "timely disclosure of records" (<https://www.justice.gov/media/1212566/dl?inline>). The requested information is in the public interest because there trust in government is at historic lows, and the American people deserve transparency about the operations of the Agency. Agencies, including yours, routinely hide FOIA logs, appeal logs, MDR logs, and more behind the constructs of retention periods even when requested frequently by multiple parties, and in accordance with the previously cited implementation guidance, should be proactively disclosed. Because this is a request by a member of the news media for information of public interest, made in my capacity as an author for The Daily Signal (a major news outlet) as well as other outlets, I actively gather information of potential interest to our Daily Signal audience, and I use my editorial skills to turn raw materials into a distinct work, and I distribute that work to the Daily Signal and other outlets such as Breitbart and Fox News through articles or social media posts. I request that you waive all applicable fees associated with this request. If you deny this request for a fee waiver, please advise me in advance of the estimated charges if they are to exceed . Please send me a detailed and itemized explanation of those charges. If you have any questions, or feel you need clarification of this request please contact me at colinaamot@protonmail.com.
