

## FOIA DATA SHEET FY 2025

1. I was denied for global entry and would like to know why

2. From June 1, 2023 through January 1, 2024, I request a sample of up to 10 completed FOIA case files from your office's FOIA tracking system where scope clarification occurred. Each case must have all of: (1) a written agency response seeking clarification about the scope of records sought; (2) a written requester response that clarified the request; (3) a final determination letter; and (4) a case closure date within the specified date range. For each of these case files, I seek only: (1) the initial FOIA request; (2) the agency's scope clarification letter (or email or similar record); (3) the requester's clarification response or the request as it was ultimately processed; (4) and the final determination letter. Specifically, for a sample of requests where clarification was needed, I'm looking for the original request, the rationale for clarification, and the clarified request. I am studying how agencies and requesters work together to clarify and refine requests, so I need only the substance of these communications, not any personally identifying details. To reduce processing time and protect privacy: please exclude any Privacy Act requests, cases where clarification was sought solely about fees, and cases where the requester never responded with clarification. And please redact all personal information (names, addresses, emails, phone numbers). If your office does not track whether scope clarification occurred or if this request is technically difficult given your FOIA processing system, I request a sample of 10 completed FOIA case files from the timeframe regardless of whether scope clarification occurred.

3. Dear FOIA Officer, Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, and the implementing FOIA regulations of the agency, I respectfully request the following: From the timeframe of January 1, 2024 to present, all of the following records from ELIZABETH HEWLETT, COMMISSION MEMBER: All communications sent by the custodian (via the custodian's email outbox) containing the terms ('SF-52' OR 'SF 52' OR 'SF 50' OR 'SF-50') AND ('realignment' OR 'transfer' OR 'mass transfer' OR 'OPM' OR 'title'). For any potentially responsive documents please include all file attachments regardless of type and the entire email chain for completeness. I am amicable to a rolling production as records are available. I request all responsive documents be delivered electronically, via email. To further narrow down the scope of the request, requester does not seek correspondence that merely forwards press clippings, such as news accounts or opinion pieces, newsletters, and published or docketed materials, if that correspondence has no comment or no substantive comment added by any party in the thread. The terms "pertaining to", "referring", "relating", or "concerning" with respect to any given subject means anything that constitutes, contains, embodies, reflects, identifies, states, refers to, deals with, or is in any manner whatsoever pertinent to that subject. The term "record" means any written, recorded, or graphic matter of any nature whatsoever, regardless of how recorded, and whether original or copy, including, but not limited to, the following: memoranda, reports, expense reports, books, manuals, instructions, financial reports, working papers, records, notes, letters, notices, confirmations, telegrams, receipts, appraisals, pamphlets, magazines, newspapers, prospectuses, inter-office and intra-office communications, electronic mail (emails), MMS or SMS text messages, instant messages, messaging systems (such as IRC, WebIRC, Rocketchat, Signal, iMessage, Microsoft Teams, WhatsApp, Telegram, Signal, Google Chat, Twitter direct messages, Lync, Slack, and Facebook Messenger), contracts, cables, telexes, notations of any type of conversation, telephone call, voicemail, meeting or other communication. Please comply fully with 5 U.S.C. § 552(b). Please limit all searches to the timeframe of 1 January, 2024 to the present. Search Instructions: For potentially responsive documents, please include the full communications/email chain, and all attachments. Please search all email inboxes assigned/issued/used by the custodian, regardless of classification.

On the CBP website when I enter my information to request my travel history, the results comes back empty. I contacted CBP by email and they instructed me to request a Foia with my travel history. However, if nothing is showing up on CBP website, would it be different in a Travel History Document requested through foia ? As i94 doesn't reflect international trips made by green card holders, I can't use it to proof continuous presence since them won't be reflected on my i94.
